

North Sails Starling National Match Racing Championship

This year's competition is unique in that for the first time all competitors will sail boats provided to them by the Starling Association.

Thanks to the generosity and hard work of Brian Peet, 6 Keith Elliot fibreglass starlings with identical carbon rigs and new sails will be used by the 12 competitors at the event.

Racing will commence on Wednesday 11th of January and will be completed by Friday 13th.

The format is for 2 round robins and then semi-finals and finals – weather permitting.

This year's competitors are:

Alice Noyer – Northland
Matthew Hughes – North Harbour
William Linkhorn – Auckland
William Bennett – Otago
Charlotte Corston – Canterbury
Zak Merton – BOP
